

PRESS RELEASE

Astragraphia's net profit in 2023 grows 45%

Jakarta, 22nd April 2024 - PT Astra Graphia Tbk (ASGR) ("Astragraphia") was able to achieve good performance through strengthening its core portfolio so that it managed to book a net profit of Rp141 billion or grew by 45% compared to 2022.

Hendrix Pramana – President Director PT Astra Graphia Tbk said, "Consolidated net revenue as of December 31, 2023 was Rp2,969 billion, up 2% compared to 2022. Net revenue from Document Solutions increased by 7% due to an increase in machine sales volume in the graphic art sector and office sector. The increase in net revenue was also contributed by Information Technology Solutions by 16% from IT Trading and IT Services. The increase in net income was mainly contributed by continuous cost improvement and operational cost optimization. Astragraphia continues to innovate and digitize in every line of business to build a strong and sustainable business."

Astragraphia continues to be committed to strengthening sustainability through the Sustainability Framework and Aspiration by implementing Good Corporate Governance, namely Sustainability values and Triple-P Strategy (Portfolio, People, and Public Contribution) by paying attention to environmental, social, and good governance aspects. In November 2023, Astragraphia held the Astragraphia Class for Creative Industries (Kelas ASIK) training program in collaboration with the Central Java Province Cooperative and MSME Office and Bisnis Indonesia with MSMEs in the Semarang area from the culinary, fashion and craft sub-sectors.

In the fourth quarter of 2023, Astragraphia won the IDX (Indonesia Stock Exchange) Channel 2023 CSR Award in the Economic Development Initiatives category for the Astragraphia Class for Creative Industries (Kelas ASIK) program. The ASIK Class program is a form of Astragraphia's social responsibility in the entrepreneurship pillar, towards the government's development program to jointly realize MSMEs that are competitive, go online, and upgrade, so that they meet the elements of Sustainability Development Goals (SDGs) 8 on Decent Work and Economic Growth.
